Committee on Foreign Relations
United States Senate

Dear Dick:

AT tells me that you did an outstanding job with our Senior Seminar group yesterday afternoon. All of the reports we got back from the group were also positive. We really appreciate your pitching in on this type of program as we feel it is very important that our people get insight "as it is" on Hill operations vis-a-vis the Executive.

Sincerely

George E. Cary
Legislative Counsel

If the best ever settles with the SSCI during the adjournment I'd like to get you out for that lunch I mentioned at Ed's retirement party. I'll give you a call.
